► CREDIT AND COLLECTION POLICY ◀

All customers are required to have on file a Credit Application, State Sales Tax Exemption Certificate (if applicable) and this Credit Policy. New customers, upon approval of credit application, receive terms of Net 30 Days. This means that all invoiced amounts are due 30 days from INVOICE date.

If accounts are not paid within terms, the following procedures will be followed:

1. A Service Charge of 2% per month (Annual Percentage Rate of 24%) will be assessed on any accounts not paid within Terms.
2. Any accounts (invoices and/or service charges) reaching 45 days past Terms, will be placed on CREDIT HOLD. A Credit Hold will freeze all shipments and orders in progress until the overdue invoices (and service charges) are paid.
3. Any accounts reaching 60 days past Terms, will remain on Credit Hold and will lose their Net 30 status. Once these accounts have been paid, shipments will resume, but will be strictly COD for six (6) months from the time the account was fully paid. After six (6) months, the customer may again apply for Net 30 status.
4. Any accounts reaching 90 days past Terms, will be turned over to our collection agency for immediate collection. The cost of collection, legal fees, and court costs will be added to the past due account.
5. Returned Check Policy – for any returned check there will be a \$30.00 returned check fee charge and the account will be placed on a C.O.D. status.

If you have any questions about the above policy or wish to check the status of your account, please contact the Credit Department at the number indicated below.

Please complete the lower portion of this policy form, including signature and date, acknowledging acceptance of these terms and return by mail/fax as indicated below.
